Ponca High School

PONCA, NEBRASKA

This is the building that has nurtured our minds, hearts, and often our tempers. It was here that we began our education and it is here that we hope to end our high school career. The hours we have spent here have often been tiring, but we know that in years to come we will look back at it and smile.

Ordering class rings, taking tests, looking at careers, junior class play, and the big one–Prom; all keeping the class moving. Your junior year really keeps you going with all of the activities, studies, and ballgames helping to make the year pass quickly, pushing you closer to being a Big senior and graduation (we're sure everybody looks forward to that!). The junior's hard efforts payed off too–1st place float award, the class play was a success, and now Prom! Keep it up juniors and remember–"Hard work always pays off!"

Well sophomores–how's the dissecting in biology turning "out"? Kinda smelly, huh? Mr. Parrott can sure be ornery when he wants too! Just think–next year you'll look back and laugh (you hope). Yep, you really have some good times, some of your best memories! The B-team basketball games (Coach Wood), Physical Education, starting to think about Prom, but the year goes by quick! Work hard sophomores, it pays off after a while!

Left to Right: Jeff T., Nancy W., Nancy S., Roger F.

Freshmen! We bet they wondered, "When will it ever stop?" Seniors, seniors, seniors!!! Is that all this school is made up of? Poor freshmen. We bet none of them will ever forget the FIRST day. But as days went by they got used to the "Sound Off" command and tardy slips. They kept on working hard though; 2nd place for Homecoming Float, keeping up the good (?) grades and making new friends. Enjoy it freshmen; it goes by QUICK!!!

Music and the participation in music are important in any school system. Ponca has many interested and talented students in this most worthwhile field. The new music teacher, Mrs. Carlson, has helped the school to have an excellent music interest. The annual staff wishes to congratulate the music department in its fine performances this year.

Over the net—out a sight is right! A Ponca Indianette works hard to gain success. The good ole saying, "Practice makes perfect" fits the subject perfectly and that's exactly what the girls did was practice! They worked hard for a victory, through sweat, exercise, and even tears to achieve it and they did. Keep it up girls, you'll make it! You're the GREATEST!

The Indians started the football season with an exciting scoreless tie against Newcastle and as the season progressed, it proved that the entire football schedule would be equally as exciting. The team ended the season with a record of 3 wins, 5 losses, and 1 tie. Although it was a losing record, the season was considered a success, largely because of an exciting 30 to 28 Homecoming victory over Allen, the first Homecoming victory in several years.

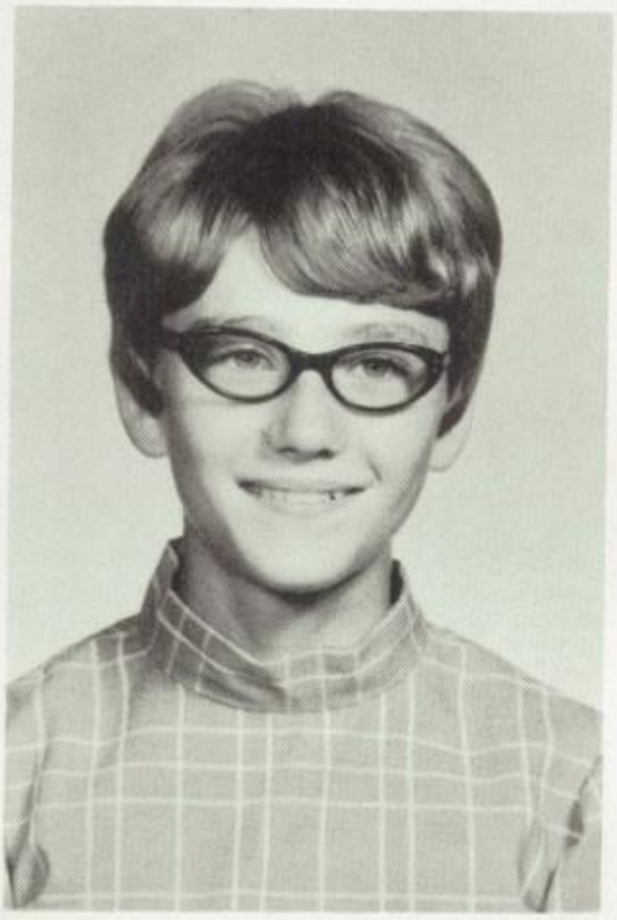
In Memory of



Julie Verzani

This year the 1970-71 annual staff have decided to give the annual in memoriam of Julie Verzani. She was killed in an airplane accident, along with her parents, Mr. and Mrs. Frank Verzani on July 31, 1970. We feel that this poem expresses our deep regret of this unfortunate occurrence:

"I cannot say, and will not say,
That she is dead—she is just away;
With a cheery smile and a wave of the hand,
She has wandered into an unknown land,
And left us dreaming how very fair,
It needs must be, since she lingers there."

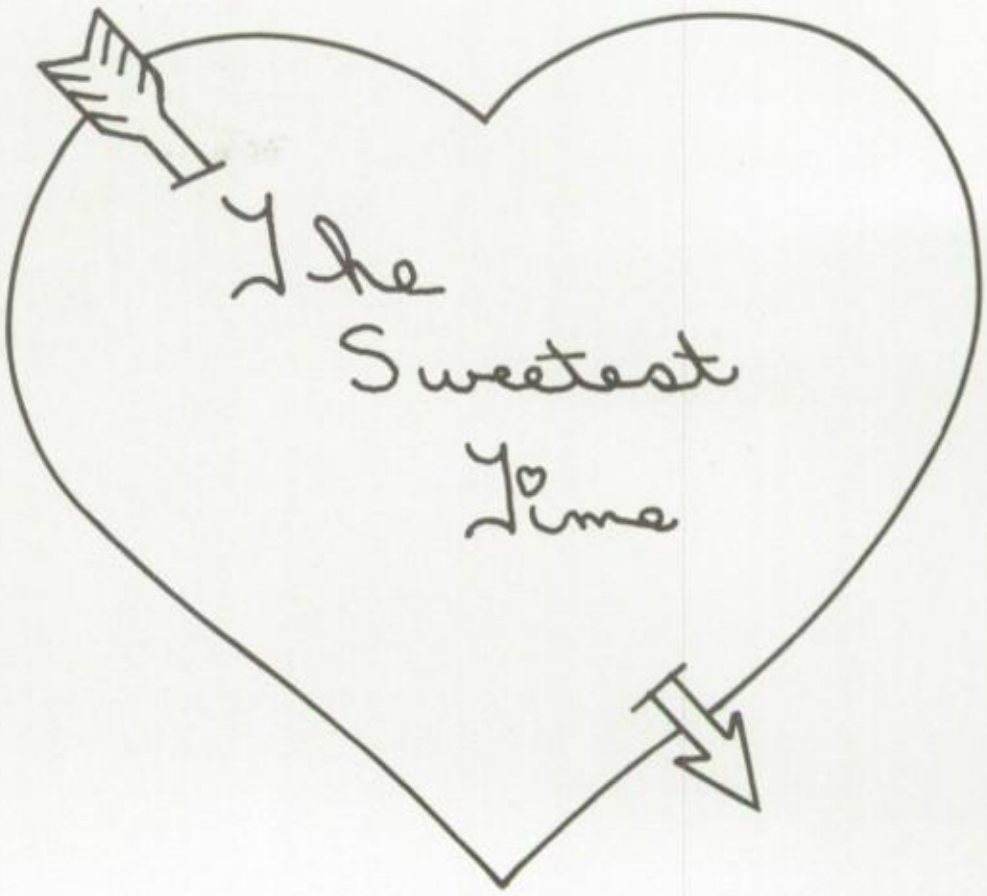
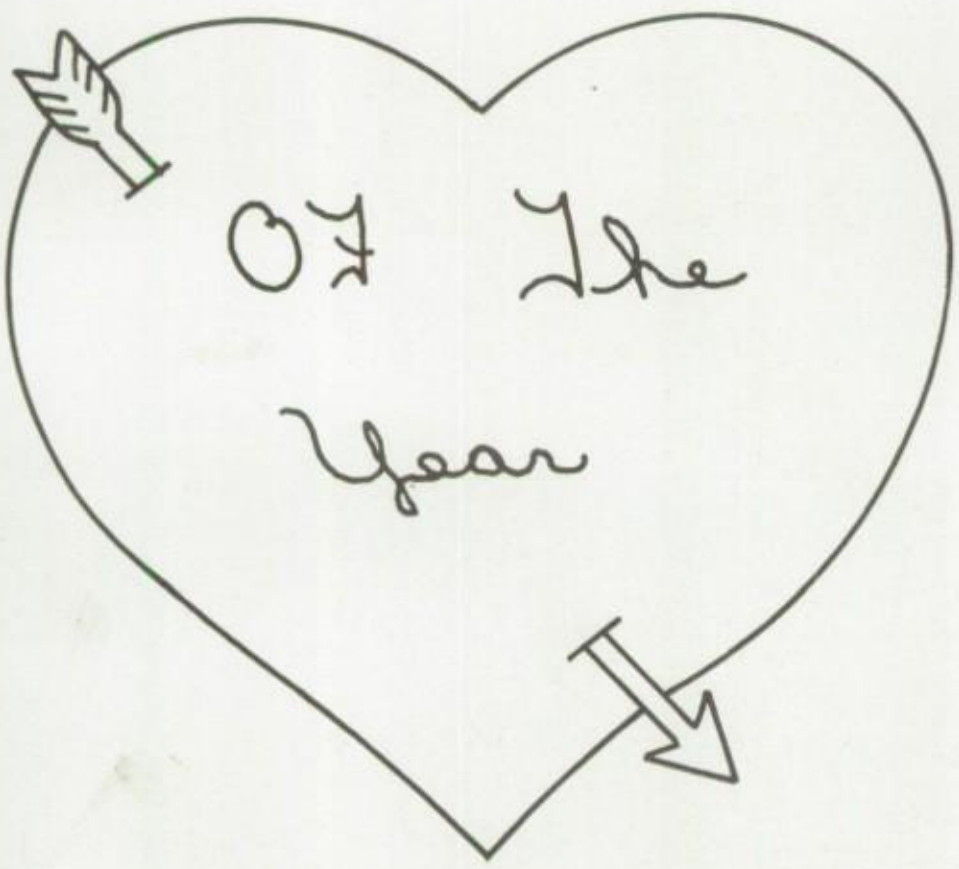
1st Place Float (Juniors)
"Signs of Victory"



Every February Cupid begins flinging his arrows and turning young men's and women's fancies to thoughts of the Sweetheart Dance.

Cupid hit close to home on February 13, 1971 in Ponca's gym. Decorations planned by senior girls and put up by the Pep Club girls, were of "White Lace and Promises." From 8:30 to 12:00, the "Instant Blues Machine" set feet dancing, pausing for the announcement of the Sweetheart Mary Sullivan; Beau, Rick Jensen; and attending Valentines, Cinda Brill, Kathie Gibbs, Becky Lowe, Steve Forney, Lanny Knight, and Ken Wood.

Back Row: Kathie G., Lanny K., Ken W., Steve F. Front Row: Becky L., Sweetheart Mary S., Beau Rick J., Cinda B.



Prom — 1971
Aloha

The Junior Class presented to the Seniors on Saturday, May first, a Banquet and Dance decorated around the theme "Aloha." This theme represented for the Seniors a "goodbye" to high school days and a "hello" to a brand new future. The banquet, which began at 6:30 P.M., was highlighted by the Senior Class Will and Prophecy, entertainment by Dick and Renee Turpin, and the falling over of a palm tree during the banquet. The speaker of the night was our principal, Mr. Robert Schlimgen. Mr. Schlimgen recalled all the reasons why he would remember a few of the graduating seniors and presented Rick Jensen a small pin which read "Most Improved" and gave Don Taylor his paddle. The dance began about nine and the Last Chapter played their own beat in the jungly Hawaiian setting under a sky of twinkling stars.

Where did the chairs come from?

The one & only—Shelley!

OK everybody, dig in!

Don't drop a plate, Joni.

Quite a Prom!
